

Z-Car Club of Rochester (ZCCR)
2018 BENEFITS AND TYPES of MEMBERSHIP

Become a member of the Z- Car Club of Rochester.

Join now: Read the options below, and complete the application shown on the right, attach the appropriate check and send to the address at the bottom. Any questions contact Frank McGinley at fmcginl1@rochester.rr.com.

We offer two levels of membership:

Full Memberships

Full Membership consisting of an individual household is \$50/year. Full membership comes with a ZCCR window decal, a Z Car Club Association Decal and participation on our Email list. Your ZCCR FULL Membership entitles you to admittance to some club events at reduced or sometimes no cost. Members who take advantage of a few select subsidized events actually get more than their \$50 returned via their discount at these events. Your membership entitles you to discounts at Hoselton Auto Mall on Nissan and Toyota parts and new Nissan cars, as well as discounts at several other sponsors, See ZCCR.net for more information.

Associate Membership

We offer the OPTION of an Associate Membership for those Z-CAR lovers outside the counties of Monroe, Orleans, Genesee, Wyoming, Livingston, Ontario and Wayne. (That is Monroe county and those counties that touch its borders). Note: if you live outside the above area you can still sign up for Full Membership and receive all the available benefits if you prefer!

Associate Membership will provide participation on our Email distribution list and a ZCCR window decal. Your Associate membership entitles you to discounts at Hoselton Auto Mall on Nissan and Toyota parts and new Nissan cars, as well as discounts at several other sponsors, See ZCCR.net for information. Associate membership is \$25 year. The Associate membership is intended for those who, due to geography, will probably not be attending our events. If associate members desire to attend a club event that is subsidized by ZCCR, they will be required to pay a full per person charge to be announced before the event. Before deciding on an Associate Membership, you should determine if you (and perhaps a family member) would have an interest in attending subsidized events such as the winter holiday party, a summer Red Wings game or Anniversary Picnic, to name a few. The fee charged to an Associate member for a single event might justify the difference in Full Membership cost.
